Dear Sir

I am not quite sure if I understand your question as to the matter touching the present arrangements are to some extent thrown [illegible] by the arrival of Mr. B. Srinivasaraghavan to take up Mr. Venkataramaiah's work & Mr. Krishnaswami Iyer left some time ago Mr. Narasimhaiyangar has the matter of the High school forms [illegible]

4 the F.A. matter work will be assigned to them — except the log which I have kept in my own hand for many years in order to know the boys individually

I do not expect that Mr. Venkataramaiah will be able for work again if he is it can only be for a few months and then it would be advantageous to divide the F.A classes between him and Mr. B.K.S

I think I have given you all that Mr. Devan will need to know

Kindly let me know if I can see him personally on Friday or Sunday morning

Yours very truly
